New website

The new website of MPLA just launched.

The information *regarding the previous years*, is not complete, and at times not very accurate. Please bear with us for a little while; more and more content is being available every day.

Also, we ask you to be patient for the time being, as we are in the middle of a hardware upgrade, which should improve the performance substantially.

Please *report any problems* you might encounter with this website to the webmaster (thanos@sians.org).
